

## **Play, Learn, Socialize at Club Fledge, Ambience Mall, Gurgaon “CLUB FLEDGE” brings to young kids a unique environment to have fun both “on and off ice”**

**Delhi/Gurgaon, Wednesday, 31st October, 2012:** Bird Hospitality Services (BHS), the hospitality arm of Bird Group, a highly diversified conglomerate, launched Club Fledge – yet another innovative entertainment concept. Club Fledge promises to be a unique destination for children, between 3 to 10 years, where they can play, learn and socialize.

Located on the 6th floor, Ambience Mall, Gurgaon, Club Fledge is spread over a sprawling 1600 square feet and has several distinctive attractions for children. The use of vibrant colors makes the décor inviting and sunny. Bathed in natural light, the key attraction is a synthetic ice skating rink where the young “fledges” can initiate their tryst with skating, under guidance from experienced trainers in a controlled environment. In addition, Club Fledge offers interactive sessions and activities like, computer tasks, do it yourself projects (DIY), stimulating games, storytelling, movie screenings and video games. All these activities ensure that children have a superlative fun-filled learning experience while engaging in constructive activities. Club Fledge has an in-house library stocked with educational tools, activity books, puzzles and coloring sheets for little book worms. Keeping dietary needs of young children in mind, Club Fledge is equipped to provide meals to its little guests during lunch and dinner time and on demand at other times. To be prepared for any adversity, there is an in-house medical room and strict guidelines to ensure maximum safety and comfort for children. Though there is no restriction on the time spent by children at Club Fledge the sessions are billed hourly.

Speaking about this new concept, Ankur Bhatia, Executive Director, Bird Group said, “Club Fledge is a one-of-its kind experience for younger children. It is a contemporary, urban recreation and learning facility where children can do something constructive with their time while having fun. It gives parents and guardians a great opportunity to channel their children’s energies in a positive direction. Furthermore, it’s a safe environment for them to leave their children under the care of warm and experienced caretakers, while they may choose to be at iSKATE or attend to their other chores.”

On the occasion of this launch, Club Fledge invited the star cast of the upcoming movie “Luv Shuv Tey Chicken Khurana”; Kunal Kapoor, Huma Qureshi and Anurag Kashyap graced the occasion with their presence.

The Club is all set to be the favorite location for birthday parties in a time, where parents and children are constantly shifting from the mundane to the new and exciting while not compromising on safety.
